

NIEMI OFFERS MOVING BENEFITS FOR THE RESIDENTS OF LAHDEN TALOT

MOVE, STORAGE AND RECYCLING SERVICES

We are here to make your move easier. We provide the assistance and advice you need and our specialists will help you find the right solution.

Whether you need a lot or just a small amount of assistance with your move, with us you can always select a suitable service package for you needs. We offer services for all residential moves, irrespective of whether it is a studio apartment or a house. If you are not entirely sure how much help you need, we are happy to do an assessment visit free of charge before your move.

If you are looking for more services in addition to our convenient moving boxes, packing materials and the van and driver, we can also provide the required number of staff to move your belongings from your old home to your new home. In addition to all these services, you can also hire Niemi specialists to pack your belongings and protect your home, leaving you more time to focus on your new home.

Our storage service offers you storage space for all your needs without a minimum time or quantity. We also provide recycling and cleaning services.

Our service range includes for example

- Stackable moving boxes and packing and protection materials
- Storage services
- Move-in/move-out cleaning
- Recycling services
- Packing and protection services
